

Make Us Wise

Dale and Elaine Haas

E C#m7 A2 E

E

Bonding's never easy

C#m7

And I've had my share

A2

Of hard, wounded friendships

A2/B

And hearts that seem to tear

E

But I know that wisdom

C#m7

Is just a step away

A2

If I cage my wild words

A2/B

And hear what you say

CHORUS

E

Make us wise

A2

As we walk with hands in hand

Give us peace

A2/C# A2/B E

All across this broken land

Mercy, Lord

A2

As we spur to righteous deeds

Pure in heart

A2/C# A2/B E

May we plant a fruitful seed

C#m7 A2 E

E

Compromise my values

C#m7

And criticize your faults

A2

Such a downward spiral

A2/B

It's a dividing wall

E

But if we search for reason

C#m7

If we are sincere

A2

We'll find that there's a way

A2/B

To cast off all our fear

(CHORUS)

C#m7

Give us wisdom

A2

Humility

C#m7

Give us wisdom

A2

And harmony

(INSTRUMENTAL)
